# SpartyBall 2019: The Roots of MSU

April 27, 2019 – Chicago Cultural Center

This annual event is a celebration of all things Michigan State, bringing together alumni and friends of all ages from across the country for an evening of food, fun, and philanthropy. Over the past thirteen years, the MSU Alumni Foundation of Metro Chicago has built SpartyBall into the very best Sparty Party around.

This year, our theme is the Roots of MSU. The nation's pioneer land-grant university, Michigan State University began as a bold experiment that democratized higher education and helped bring science and innovation into everyday life. The revolutionary concept became a model for the nation. Today, MSU is one of the top research universities in the world—on one of the biggest, greenest campuses in the nation. Home to nationally ranked and recognized academic, residential college, and service-learning programs, we're a diverse community of dedicated students and scholars, athletes and artists, scientists and leaders.

In ways both practical and profound, we work to create a stronger, more sustainable, and more hopeful future for all.

## THE CAUSE

Proceeds from the event supports one of four endowed scholarships the MSU Alumni Foundation of Metro Chicago hosts at Michigan State University. These scholarships provide qualified students in the Chicagoland area with an opportunity to attend Michigan State University by helping to offset the costs associated with tuition and other academic needs.
